📍 Student housing, Isafjordur

Skills

Problem-Solving

Communication

Curiosity

Teamwork & Collaboration

Adaptability

Languages

English (Mother Tongue)

French (Bilingual)

Spanish (A2)

Familiarity in multiple other
languages (self taught)

Interests

Sports :

Skiing, Biking, Hiking, Tennis, Volleyball,
any team sport

Other :

Camping, Language learning, cooperative
computer games

About Me

Currently in my second year of engineering school (4th year of higher education), I am on an internship at the university centre of the westfjords and am interested in working during my stay here.

Experience

Volunteering in a Restaurant (6 Weeks)

Lofoten, Norway

- Serving food and drinks to clients
- Washing the dishes
- Restocking supplies
- Great team building experience

WWOOF Volunteering in a sheep farm (2 Months)

Kvam, Norway

- Gained hands-on experience in carpentry and construction projects.
- Developed strong teamwork, problem-solving, and communication skills through collaborative work.
- Helping sheep during lambing, tagging their ears, sheep herding.

Internship at YORK SAS (2 Months)

La Garde, France

Specializes in high-performance lubricants for automotive, marine, and industrial sectors.

- Developed skills in warehouse organization, including storing products in their designated locations.
- Enhanced attention to detail and time management in a fast-paced environment.
- Learned about safety protocols and the importance of maintaining cleanliness and order in production areas.

Education

SeaTech Engineering School

Toulon, France

SYSMER (Mechatronic Systems and Robotics) Program

- Instrumentation & Automation: Expertise in sensors, actuators, and robotic control systems.
- Embedded Systems: Skills in microcontroller programming and electronics
- Familiarity in 3D modeling
- Proficiency in multiple programming languages

Intensive Preparatory Program for Competitive Entrance to Engineering Schools

Limoges, France

Specialized in Physics, Mathematics and Engineering Sciences
